Dear Mr. Curry,

I am writing to you to request payment of the \$3,500 grant, which Laramie Rivers Conservation District has so kindly awarded Rooted in Laramie. We put last year's grant to good use, using it to subsidize the cost of 65 trees, which we planted in RIL participants' front yards throughout Laramie. We also had a 75+ volunteers to help us do the planting work; it is exciting to have so much community participation! We also just launched a new website and are working on a sleeker, more efficient application. We are truly grateful for your partnership and the support you have given us since the get-go. We will be using this grant to fund our June 2025 tree order with Fort Collins Wholesale Nursery, which we will begin working on in November.

Thank you so much!

Sincerely,
